

Changes in currency exchange

These days the exchange rate of currencies is changing day by day.

The actual cost of meeting Autobianchi in Switzerland is 90 Swiss francs, all essential for the planned activities on the invitation.

To facilitate payments had calculated the price in euros, we used the following exchange ratio:

1.5 Swiss francs = 1 euro

and then

Total per person: 90 CHF = 60 euro (written on the invitation)

Unfortunately, the exchange ratio is changed to the detriment of the euro. Moreover, the Swiss bank deducts about 7.5 Swiss francs to the bank operation (amount not expected to top).

Payment from abroad I will be credited at the rate CHF / euro official settlement date in Switzerland, is not possible to know the amount which I'll receive final. But if there's less than 90 Swiss francs per person can no longer bear the costs of gathering

We therefore propose to make payment in one of these ways:

1 - send payment in CHF: 90 CHF for 1 person + 7 Swiss francs for the operation of credit on my behalf

or:

2 - send the payment in euros: 60 € (like on the invitation) for 1 person + 5 euros for banking operations. With this second modality you'll deliver the currency exchange difference resulting from entry upon arrival in the meeting, if necessary.

Also the Hotel will calculate the new amount with the new exchange. Get agree when you book the rooms directly. We established in Swiss francs:

Single room with breakfast: 60 fr. / Person (with the old currency exchange, 40 € as invitation)

Double room with breakfast: 45 fr. / Person (with the old currency exchange, 30 € as invitation)

Thank you all and I assure you that we are working: the meeting will be very beautiful and will secure your liking.

I wait in Switzerland
